

From Playwright Brian A. Cheney...

IMAGES

IMAGES

IMAGES is a brief examination of how difficult it can be for human beings to see ourselves as others see us and, conversely, how we may come to perceive the inner youth and beauty of those around us. In this one-act play, the middle-aged principals, who still see themselves as young and attractive, manage to look past one another's aging physical appearance and begin to see and understand the vibrant, complex, young and attractive truth within.
