

New England Home Grown

by David B. Tick

Based upon true-life experiences, New England Home Grown is the story of three teenage boys coming of age. This fast-paced drama explores the unique elements of self-discovery, forging a very special life-long bond among friends. Set in the placid coastal town of Port James, the action quickly accelerates into hyper drive, landing in the untamed Ocean City, where youth is forever left behind.

Large ensemble cast.
